

## Mountaineers In 13-3 Win; Meet Verdi On Sunday

### Local Team Holds Second Place In League With Fallon Win

The Truckee Mountaineers continued their high position in the Sierra Nevada League Sunday by trouncing the Fallon Legion, 13 to 3 in a game at Fallon.

This coming Sunday, the Truckee team will play at Verdi and then come home for two Sundays at the local park.

Floyd Cooper, initial sacker for the local team, who has been leading the Truckee batters, picked up four hits out of five trips to the plate and batted in three runs. Craig Robinson, shortstop, gathered two for two. Bob Oates hit two for five.

A feature play of the game was L. J. Robinson's four-bagger in the second with the bases loaded. This put the Truckee team well out in front and they were never in danger from then on.

Each team left eight on base. Louis Goicoa pitched the full nine innings for Truckee, striking out 10 batters and allowing only nine hits. Truckee got 10 hits off four Fallon pitchers and each team committed three errors.

Summerbell, Fallon shortstop, led his team in hitting, getting three for four, while no one else on the team got more than one hit off Goicoa.

The short score: R. H. E.  
Truckee 13 10 3  
Fallon 3 9 3

Goicoa and Stewart; Leavitt, Graham, Bailey, Trigueiro and Weaver.

## Five Accidents In Area During Week

Five motor vehicle accidents were reported by Sgt. Frank Snyder of the California Highway Patrol during the past week.

Mildred Osborne, 46, Oakland, suffered minor injuries when her car was forced off the highway half a mile east of Donner Summit Friday night at 12:20 o'clock. She was treated at the Tahoe Forest Hospital.

A passing car also caused a collision between vehicles driven by James J. Mays, San Francisco and Alfred E. Munson, Pittsburg, and injuries to Elsie Munson, 44. The third vehicle did not stop.

State Patrolman Nick Comola, was hospitalized after his motorcycle struck a wet spot on the highway near Deer Park and ran off the roadway. Comola was taken to the hospital for injuries to his left hand and face.

Evelyn Codis, 45, was taken to the hospital Saturday with injuries received when a car driven by Robert Codis, San Francisco was forced off the road by a passing car near Kingsvale Sunday afternoon.

Paul W. Castles, Baker, Ore., was cited for being on the wrong side of the highway after a collision between his car and one driven by William H. Donaldson, Roseville, Tuesday morning a mile east of Truckee. Donaldson and a passenger in his car, Norman W. Harry of Sacramento, were taken to the hospital for treatment of injuries.

## SWIM LESSONS WILL START ON JULY 7TH

The Red Cross swim instruction classes will be started in Truckee on the 7th of July and in Kings Beach on July 21. Everyone is urged to get their forms to Mrs. Fred Pedley as soon as possible. To make it more convenient please leave them at either Truckee Mercantile or Tonini Grocery where Mrs. Pedley will pick them up.

Those who did not receive forms at school please come the first day with a note from parents with the following information: Student's name, name of family doctor, home phone and address, and stating you wish to enroll student and accept fully responsibility during the entire program, signed by parent.

Bus schedule for the program will be announced later.

## State College Will Open Lake Session With Big Program

KINGS BEACH—Sacramento State College will open the activity program of its Kings Beach summer season with a 60-piece symphony "pops" concert to be given in the multi-purpose room of the Kings Beach elementary school, Saturday evening, June 28, 8:15 p.m.

James Adair, director of the college symphony during the year in Sacramento, will conduct and has promised a light program of varied music to fit the summer session. Music of Glinka, Percy Grainger, Leroy Anderson, and others, will be featured to assure a popular and interesting program.

Soloists are to be announced later.

Following the concert, Red Clark's 12-piece dance band from Sacramento will play from 10 to 1 a.m. for a dance.

The musicians for this occasion are provided by a grant from the recording industries trust funds obtained with the cooperation of Local 12, American Federation of Musicians. There will be no admission charges for the concert and the dance.

The summer session classes to be held at Kings Beach will begin on Monday, July 7 and run until August 15. Students may enroll for one semester unit per week in one of the areas of science, anthropology, art, or speech arts, including drama.

Dr. Richard Reeve is the coordinator of the Tahoe session.

## RAIN, HAIL TORMENT TRUCKEE DISTRICT

Torrential rain and hail stones as large as marbles fell in Truckee Tuesday afternoon as this area continued to have thunder storms each afternoon and evening. The U. S. Forest Service reports that .87 of an inch of rain and hail was recorded here Tuesday and Wednesday.

At the same time, the office reported that lightning has been responsible for four fires in the Truckee district and more are expected to result. More than 60 bolts struck in the Boca area on Tuesday.

## PIKE BOEHM TO BE FETED AT FAREWELL

A "bowing out" party for E. E. (Pike) Boehm and Wes J. Broken-shire, two colorful rangers for the U. S. Forest Service, who are retiring this month after a combined 70 years of service, will be held in the Tehama County picnic ground on the Mill Creek Highway near Mineral at noon Saturday, June 28. Mr. and Mrs. Boehm, who spent several years in this area, plan to return to make this their home in the near future.

A barbecue and reception for the two will feature the day's events.

## RATES INCREASE FOR TELEPHONE SERVICE

Statements from the Pacific Telephone Company reflect an increase in rates recently granted by the utilities commission to cover advancing costs of operation.

While there was no increase in station rates, person to person calls advanced somewhat. Residential lines went from \$4.05 to \$4.40 per month, with business phones advancing from \$6.50 to \$7 a line.

## CONTRACT AWARDED FOR GOLD RUN ROAD

SACRAMENTO (CNS)—The state department of public works announced it has awarded a \$2,617,777.77 contract to Frederickson & Watson Construction Co. and Ransome Co., Oakland, for a 4.5 mile freeway project on S.40 40 near Gold Run in Placer County. The project involves construction of a four-lane divided freeway and four structures between .9 mile west of the Magra Overhead and one-half mile west of Monte Vista. Structures included three overcrossing bridges to carry local traffic over the freeway, and the Magra Overhead which will take the freeway over the Southern Pacific Railroad.

## WYETHIA CLUB

Wyethia Club luncheon meeting this month is changed from June 20th to June 27th. Luncheon will be at the clubhouse at 1 p.m. An interesting program has been arranged and all members are urged to bring new residents to Truckee as guests.

## Chamber Is Told Street Lights To Be Installed Here

### Seek Ordinance To Curb Peddlers In County Communities

At a meeting of the directors of the Truckee Chamber of Commerce held at Ramshead Restaurant yesterday, Dr. Ben King advised the members that the Truckee Public Utility District board, of which he is a member, agreed to replace the electroliers along the main street in the near future.

The program will include lighting the main thoroughfare west of town.

Another step in the urban redevelopment proposal was taken when the names of five Truckee men were recommended to the board of supervisors to comprise the local board. The proposed members are C. Z. Smith, Robert Affeldt, James Warnke, Charles Osburn and Ed Hellar.

The directors also approved the wording of a proposed ordinance designed to eliminate peddlers of produce in the county who do not pay for a permit and who do not provide adequate health measures.

The proposed ordinance was presented by Richard Walker, local area sanitarian.

N. F. Dolley presided at the meeting.

## Utilities Board To Study Bus Service

To protect the public from possible loss of service when the freeway from Roseville to the California-Nevada state line is completed, the California Public Utilities Commission has ordered an investigation into the bus service to be provided. Western Greyhound Lines and American Bus Lines, which serve the area, were named respondents.

Date and place of a public hearing in the investigation are to be announced later.

The order instituting investigation says that no turnouts for buses have been included by the state department of public works in plans for the freeway, and that it will not be possible in the future to provide roadside service along the route. Detours will be necessary to serve certain points along the freeway, it was pointed out.

The commission consolidated for hearing with the investigation, a formal complaint case filed by Weimar Chest Center against Greyhound.

The order said the investigation is to determine:

- (1) Adequacy of service to points on Highway 40 between Roseville and the state line;
- (2) Whether the two bus lines should be ordered to detour from the freeway to serve certain points, and
- (3) Whether any other orders should be issued in the matter.

Copies of the order of investigation are to be served on the bus lines, Weimar Chest Center, and the department of public works, division of highways.

## Daughter Of Man Born Here Dies In Southland

Mrs. May M. Hanning, 79, whose father, John McCray, was born in a covered wagon in the vicinity of Donner Lake, died last week at a hospital in Bakersfield Hospital following a long illness.

Mrs. Hanning was a prominent resident of the southern California city and was identified with the early history of that area, where she was born and spent her life.

## Association Will Gain From \$750,000 Fund

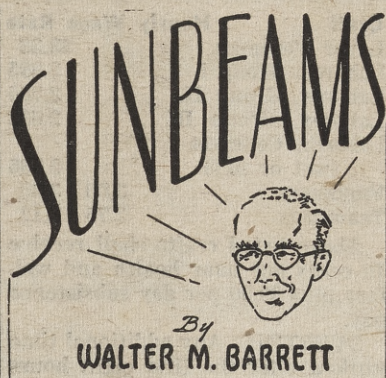

RENO—Grants of \$750,000 to churches, hospitals and other organizations throughout the country were announced by the Max C. Fleischmann Foundation of Nevada.

The Nevada California Lake Tahoe Association was included in the amount of \$50,000.

## KEARNEY VISITS

Frank Kearney, former pioneer resident of Truckee and his granddaughter, Katherine Kearney of Citrus Heights were Monday visitors, combining business and seeing local friends.

BE CAREFUL WITH FIRE!

If confirmed and unconfirmed reports are any indications of a trend, the appointment of additional officers to patrol this area cannot come too soon. These reports are that many burglaries, petty thefts and similar crimes are becoming commonplace throughout the region. This was to be expected, but in no way does it lessen the responsibility of officials to provide adequate police protection. The addition of at least two more deputies here seems an absolute necessity. Many people are coming into the area without any means of support, attracted by the multi-million dollar projects currently underway here. There are few jobs open and there are scores of men for every job. That provides a serious problem and one which can only be solved by rigid policing. We would suggest that immediate emergency action be taken to provide this service. Delays will only increase the seriousness of the situation and uncontrolled it might well get uncontrollable.

## Federation Of Women Will Hold Meeting At Donner On June 24th

Sutter District, California Federation of Women's Club, will hold their summer conference at Donner Lake Lodge, June 24. Club presidents and district chairmen will be delegates. Wyethia Club of Truckee will be official hostesses, represented by Mrs. Elmer Brown. Coffee hour will be at 9 a.m. Business, reports and itinerary will be on the agenda in the morning meeting. Luncheon will be served followed by a workshop in the afternoon. Officers and board members will be in attendance from all over the district.

Mrs. Fred Pedley, president of the district, will preside. Many dignitaries will attend, including three past state presidents.

Federation will be the theme and decorations will feature the official emblem of the federation and the colors of blue and gold. About 115 board members will be in attendance.

## REV. TAYLOR WILL BE LOCAL PASTOR

Rev. and Mrs. John Taylor will arrive this week from San Francisco and he will fill the pulpit of the Community Methodist Church at 11 o'clock this Sunday.

Following the service a potluck dinner has been planned with Mrs. Jack Ellis as chairman. All are welcome to greet the new pastor and his wife.

Rev. Taylor was appointed to the local church at the California-Nevada conference held last week at the College of the Pacific at Stockton. He is a graduate of the Boston University School of Theology, has occupied churches in Oregon and San Francisco.

## EBBETTS PASS OPEN AS SNOW REMOVED

SACRAMENTO (CNS)—State division of highway snow removal crews—battling drifts two and one-half times as deep as normal and with a higher water content—have opened the Ebbetts Pass Highway (SSR4) as far as Lake Alpine.

Two passes on SSR89, Luther Pass and Mointor Pass, were reopened earlier, but work still remains in reopening a number of the higher passes.

The remaining portion of SSR4, over Pacific Summit and Ebbetts Pass to the northeast will depend on snow depths encountered at the higher elevations, the division said. The highway still is closed from Lake Alpine to Silver Creek camp ground, about 13 miles southwest of Markleeville.

SSR88 is expected to be reopened as far as Silver Lake by the end of this week, with SSR108 over Sonora Pass opening dependent on the pace of snow removal during the next few days, the division said.

The date for reopening of the 9.41-foot Tioga Pass, SSR120, has not been determined as yet.

Stan Gregory of Paradise, a former local resident, was a Truckee visitor Wednesday.

## Travel Shows Big Gain As Work On Road Continues

### May Sets Record As Local Station In Second Position

Travel over U.S. Highway 40 into California continues to mount as the summer advances and the 47,144 cars, 3881 trucks, 701 buses, which entered California via Truckee during May almost doubled the count for April and was more than 10,000 over the count for May, 1957.

The report from the department of agriculture shows the Truckee quarantine station during May was second among the 18 border stations reporting. It was exceeded only by Yermo with 58,553 cars.

The Meyers station on Highway 50 also double over April with 16,178 cars, 506 trucks and 34 buses. Meyers had 12,802 cars checked during May, 1957, the report shows.

The least number of vehicles checked was at 29 Palms where 1324 cars, 15 trucks and no buses were checked.

The local station does not reach its peak until August. Last year more than 87,000 cars were checked here during that month, but indications are that despite the road work being one on the route, this record will fall this year.

## 61 Percent Local Class To Colleges

Following the national pattern of increased enrollment in high education, the Tahoe Truckee High School will be represented by 61 percent of its graduating class.

The breakdown as announced by Principal William Sciutto this week that 12 students plan to attend junior college, one will go to state college and 11 plan to enter a university.

12th Grade: Dean Beyer, Nancy Crose, Sheila Fanger, Barry Graton, Janice Gray, Judy Hastain, Dean Holbrook, Berger Nelson, Dennis Schlumpf, JoAnn Wray.

## ATTENDANCE DROPS AT ROTARY MEET

TAHOE CITY—Attendance at the June 10 dinner meeting of the Tahoe City Rotary Club dropped to the lowest since mid-winter when many members were either out for the winter or on vacation. Reason for the drop was principally the sport of golfing. Six members motored to Grass Valley for a golf tournament and others were absent for various reasons.

Visiting Rotarians were: Ray Harsten of Truckee; Jack Brubaker of Walnut Creek and Bill Miller of Auburn.

Tom Sheehan, local highway patrolman, was guest speaker. He gave an interesting talk on the motor vehicle code, cited instances of violations where the motorist was not aware of the violation and answered questions that clarified certain laws to the satisfaction of the questioners. Warren Porter presided.

## Oroville Man Buys Gateway Garage; Barnes To Remain

Harry Barnes, who has operated the Gateway Garage for the past several years, announced this week that he has disposed of his interests there to William Benish of Oroville, who will take over on July 1.

Barnes, an experienced automotive mechanic will continue to be associated with Benish in the garage.

Benish, a specialist in heavy equipment repair and rebuilding, particularly in Diesel work, plans to stock a huge parts department for the heavy duty machines and will maintain the repair department for all automotive work.

The garage will be known as the B. & B. Truck Parts and will be operated the year around.

The new owner is married and they have two children, a daughter, Jacqueline, 17, and a son, Bill, 14, both of whom will enter high school here in the fall. While waiting for a home closer to their new business, the Benishes are residing at Tahoe City. Mrs. Benish will join her husband here on July 1.

For the past seven years, Benish has owned and operated the B. & B. Truck Parts at Oroville and is widely and favorably known among the main trucking concerns. He came to this locality highly recommended.

Their many friends will be pleased to learn that the Barnes family will remain here and continue in the garage business.

The community extends a welcome to the newcomers.

## FRANK FOX RETAINED AS SPORTSMEN HEAD

The Truckee Outdoor Sportsmen held their annual election Friday, June 13, retaining Frank Fox as president of the organization.

Charles Osburn was re-elected to the post of vice-president, and Mrs. E. Welch, secretary.

The board of directors elected at the same session are Oscar Schumacher, Bob Moore, Clarence Osburn, Carl Painter and Henry Strelow.

## LOCAL MAN WILL SEE WIFE AFTER 36 YEARS

For the first time in 36 years Andrea Armati, will be united with his wife and daughter when he visits his native Italy this month. Armati left last Thursday for New York where he will board a boat to take him to Borgo di Terso, Italy.

The local man had not determined when he would return but hoped to be home by this fall.

## PLACER POSTPONES ACTION ON ZONING

AUBURN—Placer County supervisors postponed action on a proposed commercial zoning classification for an area at Lake Tahoe, which could provide for a disputed shopping center, until Planning Director Mazy Salter determines if the area should be commercialized.

Mrs. Salter said she expects to have complete information on the area in 60 to 90 days.

Her finding will be part of an overall commercialization study she has been making and which will be included in the master plan for Lake Tahoe.

The master plan is expected to be ready by the end of the summer.

The board action came after strong opposition to the proposal was made by Lake Tahoe property owners and attorneys representing Lake Tahoe organizations.

The new zoning amendment, recommended for adoption commission, would create a special business district classification for "zone" district 4 which runs along State Route 89 from Tahoe City, Lake Tahoe, south to Ward Creek. It would provide for the establishment of a shopping center in this three mile stretch if the planning commission approves the rezoning of a parcel of land from residential to special business.

## MARRIAGE LICENSE

Ralph L. Hanshaw of Reno and Lola G. Williams of Tahoe City applied for a marriage license at Reno.

## Orchid Blooms—

An orchid cactus plant is blooming profusely far from its natural habitation in the home of its proud owners, Mr. and Mrs. William Englehart.

## Road Opening To Be Occasion For Local Ceremonies

### Celebration Planned Here To Mark Opening Of Freeway

If plans of the Truckee Chamber of Commerce are carried out, a fitting ceremony will mark the opening of the first section of the new four-lane freeway across the Sierra.

N. F. Dolley, chamber president, is cooperating with division of highway and other officials to develop a ribbon-cutting program which will mark the official opening of the five-mile strip of new highway between Floriston and the Nevada state line. The date for the events still uncertain but will probably be toward the end of July, Dolley said.

The contractors, Gibbon and Reed presently have one lane of the new pavement open, but considerable work is yet to be done on the center section and the shoulders. Until the job is complete the ceremony cannot be held.

Dolley said invitations will be sent to various state officials and the affair is expected to create considerable interest as the opening of this portion of the highway marks an end to one of the most difficult sections ever constructed in the state, and will signal the arrival of one of the most frequently used and important roads in the country.

Alan S. Hart, district engineer and his assistant, P. R. Lowden, both of Marysville conferred with Dolley this week while on a tour of the district and have offered to lend all possible assistance in planning for the event.

While no definite date can be set, pending completion of the work, Dolley said it has tentatively been set for July 15 or July 23.

Following the ceremonies on the highway, which are expected to be brief, the group will return to Truckee and a luncheon at Smart's, Dolley said. At that time, important speakers will be on hand for brief talks.

## Quincy Man Will Be Phone Manager

Edward Bean, manager of the Quincy area office for the Pacific Telephone Company for the past two years, has arrived to replace George Selkirk, local manager, who is being transferred to Stockton.

Bean, an employee of the company for the past 10 years, was formerly at Redding. He and his wife and two daughters, Vernice and Carolyn, will occupy the home at Tahoe City, currently rented by the Selkirks.

Mr. and Mrs. Selkirk are leaving this week to make their home in Stockton and Selkirk will be in the service engineering department.

Selkirk, who has been manager in this district since October, 1956, was guest of honor at a farewell reception at Cal Neva Lodge last night given by fellow employees.

Bean expressed himself as being pleased to be in this area where he will be in charge of the office serving Tahoe, Truckee, Soda Springs and a district extending to Strawberry on Highway 50.

Selkirk has made many friends here and was an active member in the Tahoe Rotary Club. The family will be missed, but the community will extend a welcome to the newcomers.

## BOB TONINI HEADS TRUCKEE 20-30 CLUB

New officers of the Truckee 20-30 Club were installed at a meeting held at Smart's last night, following the election on June 11.

The new officers are Robert Tonini, president; Oliver Crose, first vice; James Morhain, second vice; Richard Quist, sergeant at arms.

The board of directors comprises Oliver Crose, Kenneth Gordon, Dave Johnson and James Morhain.

## Miss Jo Ann Cavitt Will Marry Charles Beath

Miss Jo Ann Cavitt will become the bride of Charles Burt Beath on Sunday, the 22nd of June at two o'clock in the Saint Rose of Lima Catholic Church at Roseville.

A reception will follow the religious rites in the social hall.

Miss Cavitt is the youngest daughter of Mr. and Mrs. William M. Cavitt, Sr., of Truckee and Loomis and is well known here where she has spent the summers at the family's ranch.

## BRUCE LEAMON HAS PARTY ON BIRTHDAY

Because his birth date occurred on Father's Day, Bruce, 7-year-old son of Mr. and Mrs. Robert Leamon celebrated the event with several classmates the preceding day.

A decorated chocolate cake, with other refreshment were served out of doors after the opening of gifts and playing games.

Clerk of the Board of Directors Truckee Sanitary District. j12-19-26

## SUIT FOR DAMAGES FILED AFTER MISHAP

NEVADA CITY — A suit asking \$103,510 in damages for injuries received in a road accident on December 17, 1957, was filed in the Nevada County Superior court this week by William Daniel Maxey, a flagman for the state division of highways.

Maxey, through his attorney, Leo Todd of Grass Valley, filed a complaint against Charles Coffman, charging him with "carelessness and negligence" in driving a vehicle which allegedly struck the plaintiff while he was working as a flagman on Highway 40.

Maxey seeks an award of \$1,860 for loss of earning power and \$1,500 for medical expenses, in addition to the \$100,000 special damages. He alleges he suffered several broken ribs and injuries of the head and body, causing permanent partial disability.

Olympics Committee  
Johnny Rayburn and Wiley Jones were wonderful hosts at the Crystal Bay Club buffet and meet-

ing recently when members of the organizing committee of the 8th Olympic winter games attended. They explained the facts in a manner that left no doubts as to organization, best efforts being put forward which should certainly lead to the ultimate success for not only

the games but before and after, especially the latter. Many interesting questions were put to the speakers, most of them bringing out the fine points which were of interest to the North Tahoe area which, by the way, will play a big part in the organization. Watch the newspapers for the exciting events to come.

**Bigger And Better**

Larry Ludlow of Ludlow's Lodge has built more units, which number at the moment, fifty. All modern and just like a city home. He says business is growing more every day.

**Lieutenant Governor**

Lieutenant Governor Powers was a visitor to Tahoe Vista during the past weekend. Quite a pleasure to meet him at the North Shore Club. Lieutenant Governor Powers, Bonnie and Bill Bates, Mr. and Mrs. Monty Beesley, Gwen and Bud Meixner, Wilma and Byron Abbott were guests of Bucky Harris of the North Shore Club last night. Lieutenant Governor Powers has spent the weekend at the Horseshoe Lodge.

**NEVADA COUNTY IS ALLOCATED FUNDS**

SACRAMENTO (CNS) — Nevada County's share of state highway users taxes for May amounted to \$21,785, State Controller Robert C. Kirkwood reported.

Total apportionments for May were \$22,205,474, which was a drop of more than 7 percent from April and was down some 74 percent from May, 1957. However, Kirkwood said the decrease was not significant because it reflected a \$65 million transfer from the motor vehicle fund in April a year ago. The corresponding amount for this year will be reflected in the transfer to the highway fund for May, 1958.

The \$22,205,474 in highway users taxes collected in April and apportioned in May were distributed as follows: state highway fund, \$14,414,673; counties, \$5,644,204; and cities, \$2,146,597.

Sources were net gasoline tax, \$20,607,333; use fuel tax on diesel fuel, \$1,140,872; transfer from motor vehicle transportation tax fund, \$456,792; and miscellaneous, \$477.

**Tahoe Items**

Thomas S. Murdock, Jr., 26 and Myrna Roe Howard, 20, both of Kings Beach obtained a marriage license at Reno.

Mrs. Georgia Lambert is summing at Tahoe City, from Auburn.

Mr. and Mrs. John Huber are spending more time each year at their Tahoe City place, expecting to remain here at least seven months before returning to Marysville.

The Victor Wikandars have come from Oakland and will vacation at their favorite retreat of many years in the mountains above Lake Tahoe.

The George M. Lewis family of Beverly Hills will sojourn at their Tahoe Pines home, spending much of the summer on the lake.

...a glass of beer is many things

Shasta Dam is a famous sign of California growth. And a famous symbol of California's relaxed, outdoor living is a glass of beer.

But to many Californians, a glass of beer stands for more than cool refreshment. Last year state sales and excise taxes on beer in our state amounted to more than \$16 million. This figure is an important element in California's economy.

The boys participating in the sport are: Joe Hoxie, Bro Shontz, Jim White, Jimmie Becholdt, Gregg Moore, Dick Nielsen, Mike Keehn, James Kimball, Eddie Hoff, Jerry Jorgenson, Roger Miehner, Don Stowe, George Day, Tommy Rukhala, John Carnell, Eddie Gill, Jim Turner, Ernie Marier, and Gary and David Kennedy.

#### Transferred

Mr. George Selkirk of the Pacific Tel & Tel has been transferred to Stockton and leaves this week. The many friends he and his wife have made here at Tahoe will miss them and wish them lots of luck in these new surroundings. As George put it "We were just getting our web feet for walking in the snow." Come back this winter for a visit and try them out.

#### To San Francisco

Mrs. Ivan Wilson journeyed to San Francisco this past week to visit her daughter, Carol Silverman and husband, James. Carol has just graduated from San Francisco State this June and James finished his first year of dentistry. After such a hectic schedule they were real happy to just relax and have a good visit with mother. They brought Mrs. Wilson home last Friday evening and left for San Francisco again on Saturday afternoon, where James will attend summer sessions and Carol will begin work as a secretary-receptionist at the Medical Center at U. C. Hospital. Who says that the kids of today don't have what they use to.

#### They Had A Ball

The Lake Tahoe and Pittsburg Golf Clubs had a bang up tournament this last Sunday with everyone having a real good time. Many of the Lake Tahoe players played for the Pittsburg Club and golf balls were awarded the best players. It was a Best Ball Tournament with men and women participating. Cocktails were served along the course and some of the players were wondering which way the ball went. A delicious chicken barbecue, presided over by Chief Bob Tonini and aided by Steve Korick and Marshall Rukhala, was thoroughly enjoyed by the hungry golfers. The chicken was cooked on the newly-built barbecue pit which Marshall built for the club. Following cake, Scotch foresomes were played with men and women pairing off and alternately hitting the ball until it reached its proper destination. The Pittsburg players are still raving about the good

### RIVIERA SHOPS TO TAKE OVER TAHOE APPAREL LOCATION

TAHOE CITY—The former Roos Bros.-Atkins ladies' and men's apparel store in the lobby of the Tahoe Tavern, has been acquired by Riviera Resort Clothes, under a long-term lease. The shop had been traditionally known for many years as a prestige shopping place on the lake, and its new occupants plan to continue their own high standards there.

The Riviera Shops have retained Interior Decorator Shannon Ward to restyle the premises. The theme is decided naturalness, but with a special feature taken from the other two Riviera Shops at Bijou and Kings Beach.

Featured in the new Riviera Shop will be dresses, and sports clothes for men. The sweater, play clothes, and swimsuit sections will intrigue many because of the unusually great numbers of styles, and because of the distinction of the designs. Riviera shop owners Jeanne and John Palmer returned to their home here Friday, after staying a week in Los Angeles. They are reported to have obtained big boxes of new styles, and at low prices.

The new things will be modeled for the public in both the after-noon and the mornings of the first will be open: tomorrow (Friday), Saturday and Sunday (June 20-21-22). Although the Kings Beach and Bijou Riviera Shops' summer hours are from 10 in the morning to 9 at night, the new Tahoe City shop will open at 9:30 daily and close at 6. All three stores are open all day every Sunday.

Everyone is welcome to drop in and look over the newest Riviera Shop for men and women, and to have a glass of the champagne that will be served all day on Friday, Saturday and Sunday.

There are 15 regional post offices in the U. S. which dispose of unclaimed parcel post items.

time they had.

#### Class Reunion

Eunice Hoff left this week for Hanford, for a class reunion and a family visit. She plans on being gone for about two weeks, with her daughter Peggy and son Tommy, who will visit with their grandmother. Husband Max Hoff and son Tommy are batching it and getting their new home ready for Eunice's return.

## SENATOR RAPS GAME INVESTIGATION PLAN

SACRAMENTO (CNS)—A mountain county senator who keeps a sharp eye on the welfare of license-buying fishermen and hunters said he's becoming concerned that the \$100,000 investigation of the department of fish and game is not proceeding as it should.

Senator Stanley Arnold, Susanville, a member of the senate fish and game committee which insisted on the investigation, in return for agreeing to a general increase in cost of licenses, said he has heard reports that disturb him.

Arnold said past records of some state departments in retaliation against employees who complain to legislators made the use of names or places impossible.

"But I understand that some of the department personnel are interviewed by the investigators while they are in the presence of their superiors," Arnold said. "I'm told the men making the study spend much of their time riding in state cars, accompanied by supervisory personnel of the department."

Arnold said he and other legislators had intended the investigation of the department was to be an independent one and not conducted along the line the department itself might choose.

"I realize it's premature to attempt to make any conclusions or criticism of a study that won't be completed until next January," he said. "We can't prejudice their result."

"However, if the investigation is being conducted too much under the thumb of the department, it may wind up as only a lot of words," Arnold said. "The sportsmen will have been stuck for some \$3 million in additional license fees, \$100,000 of their money will have gone down the drain, and we'll be right back where we started."

Amelia Earhart commenced the first solo flight by a woman across the Atlantic on May 20, 1932.

## UNEMPLOYMENT IN STATE SHOWS DROP

SACRAMENTO (CNS)—Employment during May claimed more than for the season and unemployment dropped sharply by 71,000 from April, the state department of employment reported.

However, the total civilian employment in May of 5,552,000, while up 129,000 from April, was still off 84,000, or 1½ percent, from a year ago. Unemployment dropped to 368,000 from April but still was more than twice the level of May of 1957. It was the highest unemployment for May since 1949.

The larger-than-usual employment gain reflected pickups in industries which had held employment down earlier in the year because of the extremely wet weather.

The largest loss in employment, as compared to a year ago, was in the manufacture of durable goods such as aircraft, metal, machinery and autos. Construction employment, at 354,000 in May, was nearly back to its level of a year ago.

Employment in government, service and finance was up from a year ago.

The department of employment said the unemployment drop from April—greater than seasonal normal—reflected hiring for outdoor activities.

The total labor force in May was 5,920,000, with 6.2 percent seeking work. In April, the labor force numbered 5,862,000, with 7.5 percent unemployed.

In May or 1957, the labor force was 5,818,000, with 3.9 percent unemployment.

The labor force includes employed persons and unemployed persons available for and seeking work.

## CAL-VET LOANS IN STATE STILL HIGH

SACRAMENTO (CNS)—The volume of approval of "Cal-Vet" farm and home loan approvals held near the million-dollar mark at 1606 approvals during May, the state department of veterans affairs reported.

Dollar volume was \$961,385, down slightly from the loans made on more than 1700 applications during April.

The department reported the backlog of applications still to be considered for processing now is about 17,000, down substantially from the total of more than 40,000 earlier in the year. The department said this was due to the stepped-up loan rate and to recent legislation which restricted refinancing loans.

## STRICTLY STRICKLAND

By Bill Strickland

Revisiting the Mountain Top for one day last week was Jack Woodard, former owner and operator of the Donner Ski Ranch. Jack and his family moved to Connecticut a year ago last fall. He is now associated with an electronics firm. Said he took his boys skiing several times in Vermont and New Hampshire. Quite a difference in snow depth and texture. Son Strawn has completely recovered from the leg fracture he suffered at Squaw Valley two years ago. It was nice to see him again and all of us up here hope they'll all be able to make a return visit soon.

Bud Plant has the clearing contract on the Hampshire Rocks—Soda Springs section of four-laning. I mention this because several of our Mountain Top residents are working for him. What a treat to eliminate that two hours of commuting that was entailed on the Floriston job. In fact, with the downhill roll from Soda Springs, the men are on the job before their cars are warmed up—yep—it's that close to home.

Our usual unpredictable weather has been with us again for the past two weeks. Of course, its not news to those who live here, but with school vacations and the influx of bay area and valley families heading our way, it's quite a surprise. Young Joe Merica was our guest for a couple of days, but it was pretty rough on the youngsters trying to play in the snow banks during a snow storm—dumped about two inches on us with temperatures to match. In fact chains were mandatory for over an hour for travelers going over the Mt. Rose Highway. Heard one fellow remark, "Yep, they only have two seasons up there—winter and August."

Dean Beyer has been or is one of the lucky young men from our Mountain Top. Accompanied his father, Pan Am Senior Pilot Harry to San Francisco, then boarded a plane for the Hawaiian Island for a summer vacation. Dean's mother, Betty, flew to Los Angeles the following day while Harry headed his big craft over the Polar Route to London and Paris. That family really gets around.

Lee and June Forster have just completed a busy, busy week. Daughter Jackie was installed as worthy advisor of the Rainbow Girls in Auburn on Saturday.

The following Wednesday son Bob was graduated from grammar school, and the next evening Jackie was in the Auburn High School graduating class.

Goldie Rowton has just returned from a week's visit with her mother in Linden, Calif. She, Goldie's mother, is in her eighties and is making a trip around California visiting her sons and daughters—her home is in Colorado.

Also up for the summer is Jack Petersen of Next Time Try the Train—I know he's here because

I've seen his dogs—heard 'em, too! Ricky Schull came bouncing up to the house a few days ago to display a new fibre glass fishing rod—worked pretty good, I guess. He had landed the limit in less than an hour, and some of them were real beauties.

Tom Terkildsen was also seen walking down the road with a good sized catch—fishing must be pretty good. The two aforementioned Isaac Newtons are only 10 and 12 years old.

Donner Summit Post No. 811 of the American Legion will hold a special meeting on Friday, June 20, at 8 a.m.—place: Beacon Hill Lodge. All you local legionnaires be present as the main point of business will be election of officers—so be sure and attend so you can cast your ballot.

Arnold Burch has poured the slab for his house—chain saws been buzzing in his area also, making room for the vacation living of he and his family.

## AFFAIRS OF STATE

Henry C. MacArthur

SACRAMENTO (CNS) — Republican assemblymen didn't do so well in the primary elections, a survey of the unofficial results indicates, and the GOP in the lower house has been transferred from "the party in power" to a situation in which it easily could become the minority party.

Out of a total of 80 assemblymen, only two Republicans are certain right now of returning to the legislature come the 1959 session, compared to 13 Democrats, who are not forced to face Republican oppositions at the November general election.

Of the incumbent Republicans, 35 are faced with run-off campaigns, which is more than unusual in California politics.

And of the incumbent Democrats, 21 are challenged by Republicans at the general elections.

Eight contested races are scheduled in which neither Republican nor Democrat incumbents are involved, in other words, whoever is elected from these eight districts, will be new to the state legislature.

Assuming that of the 21 incumbent Democrats, 17 win at the general election. With the 13 safe seats, this is a total of 30. This means then that the Democrats must capture only 11 of the in-

cumbent Republican seats and new seats to have a bare majority in the house. In effect, it means they need only win 25 percent of the contested elections, other than incumbent Democrat races, to make the majority.

With the Democratic upsurge in voting, the 3-2 Democratic registration in the state, and the fact that the Bourbons now flushed with victory will really turn on the heat at the next election, points up that winning these races will not be a difficult operation, providing, of course, that conditions remain the same until next November.

Some of the Republican assemblymen are in serious trouble, such as Francis Lindsay of Placer County whose district extends in the Sierra from Plumas County south to Inyo. Lindsay, one of the stalwart Republican leaders, but also a highly controversial figure since his appearance as an assemblyman, trails in the popular vote to his Democratic opposition. He barely squeaked through at the 1956 election.

Another Republican on the shaky side of the street is William W. Hansen of Fresno County, whose race in 1956 was so close the ballots had to be recounted.

It is too early, of course, to make predictions on the November races, but the mere fact that 35 Republican incumbents are faced with possible defeat in a year of a tremendous swing to the Democratic side of the fence, is at least enough basis to say the GOP is in bad trouble.

On the senate side, Republicans now have 12 certain seats, to 15 al-

## CANDIDATES WILL NOT RUN IN PAIRS

SACRAMENTO — (CNS) California voters may not see many campaign posters linking more than one candidate, or a slate of candidates, together in the days of the general election campaign which are approaching.

While national elections usually couple the presidential and vice presidential candidates in much of the advertising, this hasn't always been the case in California and certainly won't be in most instances this year.

The shakeup in Republican circles long before the primary, which saw Governor Goodwin J. Knight forced to step aside for Senator William F. Knowland, and State Controller Robert C. Kirkwood make room in the U. S. senate race for Knight, can be considered as one of the causes for the go-it-alone policies. Another, of course, is that each GOP candidate will be running extremely scared as a result of the poor Republican showing in the primary.

Knight and Knowland carefully refrained from endorsing each other before the primary, saying they would support the Republican ticket in the general election. Kirkwood and Secretary of State Frank M. Jordan have indicated they would tend to their own campaigns. Lt. Governor Harold J. Powers, who didn't receive much support from top echelon Republicans in winning his office in 1954, also has said he will run alone.

On the Democratic side, there's not much indication of any teaming of candidates either. Attorney General Edmund G. Brown, heading the slate as the nominee, conducted his primary campaign independently. Some of the other Democratic candidates for statewide offices were believed to have been chosen by the California Democratic Council without Brown's blessing.

Approximately \$66 per acre was paid in 1790 for the land now occupied by the District of Columbia.

ready secured for the Democrats. There are eight Republican incumbents who will face Democratic opposition in November, which means the Democrats must pick up six of the eight to have a firm majority, plus the special election which in all probability will be scheduled for Sacramento County, to make the majority a little more certain.

LARGE AREA AT LAKE  
SOLD TO INVESTORS  
Three hundred acres near Car-  
nelian Bay on the north end of  
Lake Tahoe have been sold to  
Robert Culpepper of Sacramento  
for \$170,000, according to Preston  
Q. Hale, Reno real estate broker,  
who represented Homer and Mari-  
on LeBallister of Reno, former  
owners of the property, in the  
transaction.  
Culpepper is said to represent  
several California investors who  
made the purchase. Asa Clark, Jr.,  
of Sacramento, represented Cold-  
well, Banker & Co., who handled  
the deal for the California inves-  
tors.  
Homer LeBallister, who recently  
resigned his position as manager  
after 39 years in the theater busi-  
ness of the Granada Theater in Reno,  
the last 12 years spent in  
Reno with the T & D theaters, con-  
firmed the sale. He said that the  
property sold to Culpepper was a  
known as Tahoe Estates.  
The LeBallisters in association  
with Robert and Alice Murray of  
Merced, were the developers of the  
Tahoe Estates, which was made up  
of 640 acres of virgin land and was  
acquired 15 years ago. Part of  
the property was subdivided and  
the remaining land was divided  
equally between the Murrays and  
the LeBallisters. In all, with the  
\$170,000 that was announced as the  
sale price in the current transac-  
tion, the LeBallisters have sold  
more than \$300,000 worth of Tahoe  
property.  
Since retiring from the theater,  
LeBallister has devoted his time to  
photography. In 1955, he graduated  
from the Winona School of Portrait  
Photography, a school usually open  
to professional photographers only,  
and since then has spent all of his  
spare time pursuing his hobby.  
He discounts any idea of retiring  
and states that the sale of his prop-  
erty in Lake Tahoe will in no way  
change his plans. He and Mrs. Le-  
Ballister will continue to make  
their home in Reno.

TURN OFF SIGNALS  
WHEN NOT TURNING  
CHP TELLS DRIVERS  
Make sure the turn signals on  
your car are off when you are not  
going to turn warns the California  
Highway Patrol.  
"Approved turn signals are for  
use to indicate you are about to  
make a left or right turn in traf-  
fic," stated Sgt. F. H. Snyder of  
the Truckee Substation office of  
the patrol. "see them properly, but  
make sure they are turned off after  
you have completed the turn or  
lane change.  
"Of-times serious accidents oc-  
cur when a driver fails to turn  
at an intersection after displaying  
a lighted turn signal for some dis-  
tance prior to entering the inter-  
section." Sergeant Snyder empha-  
sized. "An incoming driver, also  
with turn signal lit, figures the  
other car is going to turn, and  
makes a left turn in front of the  
approaching car.  
"Today's traffic demands close  
obedience to such rules if full  
safety is to be maintained," he  
concluded. "Turn signals are safe-  
ty bids when properly used they  
can be accident causing devices  
when improperly used."

PLENTY OF TIME TO  
ADOPT NEW CAR  
PLATES, POST SAYS  
SACRAMENTO (CNS)—Legisla-  
tive Analyst A. Alan Post has told  
a joint committee of the depart-  
ment of motor vehicles has had  
plenty of time to set a policy on  
future license plate manufacture  
and its "indecision" is disrupting  
the license plate mill at Folsom  
prison.  
In a report to the joint legisla-  
tive budget committee, Post said  
the DMV had been wanting since  
May, 1956, to place its order for  
10 million new license plates, to be  
issued in 1961. Post said the de-  
partment had said the delay was  
caused by consideration of three  
proposals for new plates: reflect-  
orizing, permanent plates, and ex-  
tension of the life of plates beyond  
the current five-year limit.  
However, Post said the legisla-  
ture had been quite definite in its  
lack of action or reflectorizing  
new plates. Post said this would  
cost about \$8 million extra for the  
10 million plates.  
"The use of a reflectorized li-  
cense plate as a safety factor to  
diminish rear-end collisions is the  
only advantage that has been cit-  
ed," he said. "The commissioner of  
the California Highway Patrol has  
stated that in his opinion the safety  
factor, if any, is doubtful and  
would be negligible."  
Post said, in addition, the DMV  
had authorized reflectorized plates  
on state-owned vehicles, at a cost  
of about \$10,000, but had not kept  
records on their effectiveness.  
Post said he believed the depart-  
ment had sufficient information as  
to extending the life of the present  
plates or converting to permanent  
plates and should be able to make  
a policy determination on these  
proposals, as well as use of re-  
flectorized plates. But he said  
"there has been on such evidence  
as to any positive conclusion."  
Post said he joined the depart-  
ment of corrections in recommend-  
ing continued use of present plates.

WORKERS WARNED  
ON DEDUCTED PAY  
SACRAMENTO (CNS) — If you  
had more than \$30 deducted from  
your pay checks for state disability  
insurance during 1957, you have  
only until June 30 to apply for a re-  
fund of the excess.  
The state department of employ-  
ment said refund claim forms are  
available at any local office of the  
department.  
Workers covered by disability  
insurance pay for it by the em-  
ployer's withholding of 1 percent  
of wages up the statutory limit  
which was \$3000 last year. Excess  
contributions may accumulate  
when an individual works for two  
or more employers during the year,  
each of whom withholds the 1 per-  
cent.  
Last year, \$3,419,549 in excess  
contributions was refunded by the  
department to 193,996 wage earn-  
ers.

Students Home—  
Mr. and Mrs. E. L. Loynd return-

ing local friends.  
Fishing Good—  
Capt. George Peterkin of Rose-  
ville is fishing in the area during  
his vacation.  
Seeks Landmark—  
Mr. and Mrs. Arthur Schroth of  
Monterey stopped here last week  
where he viewed old landmarks  
and renewed acquaintances, having  
worked in Truckee for the South-  
ern Pacific Company in 1912.

ACCORDING TO PLAN, A VICIOUS, SNORTING RHINO LUMBERED TOWARD JACKSON AND THE MAHARAJAH--

THE INFURIATED RHINO CIRCLED THE MEN TO PREPARE FOR A FINAL CHARGE. "NOW-- SHOOT HIM IN THE STOMACH!" JACKSON ORDERED.

THE SHOT HIT THE MONSTER SMACK IN THE MID-SECTION, BRINGING IT TO ITS KNEES...

6-22-1424

IT THEN ROSE, BELLOWED IN PAIN, AND STAGGERED INTO THE BUSH. "GOOD SHOT!" EXCLAIMED JACKSON.

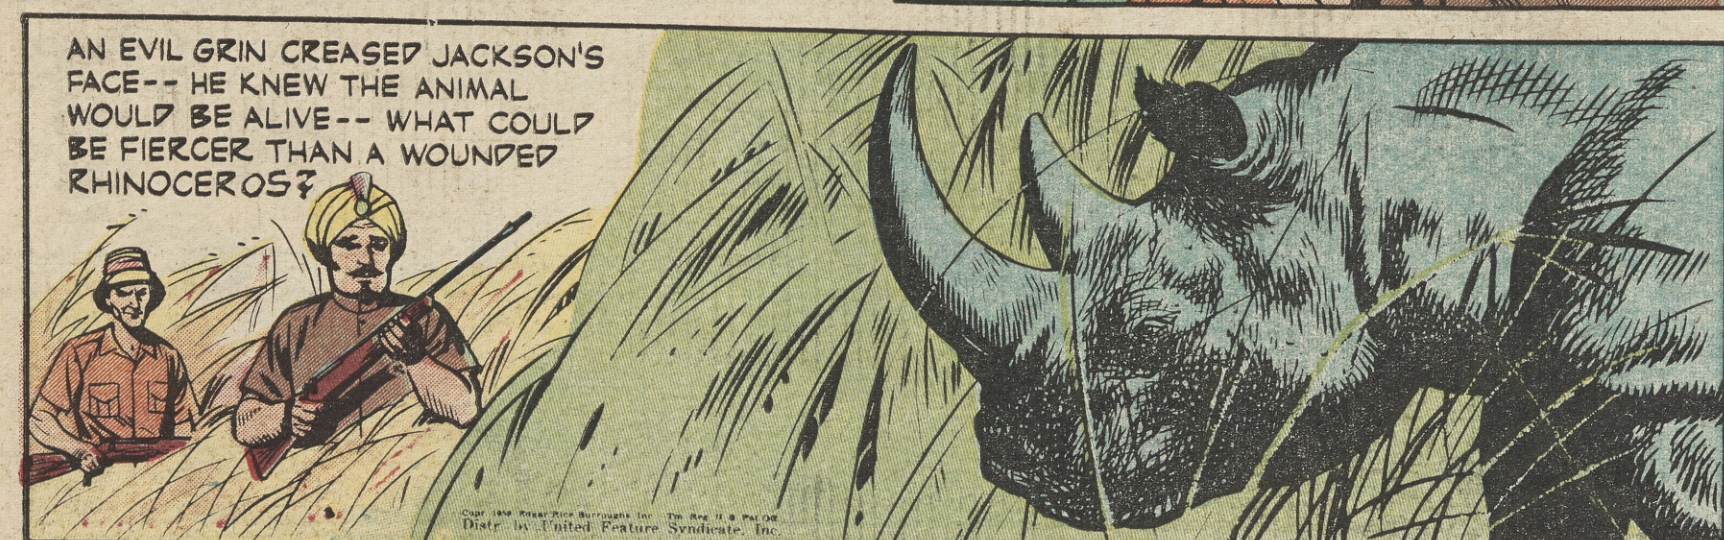

"YOU CAN GO CLAIM YOUR TROPHY!" THE HUNTER URGED. "DON'T WORRY, I'M RIGHT BEHIND YOU."

AS THE WHOLE WORLD GASPS AT THE SENSATIONAL REVELATIONS OF LIFE IN A SMALL TOWN IN GWENDOLYN GRAMPIT'S "MISERY CORNERS"...

AT LAST WE'VE TRACED THE FIEND TO HER LAIR! LET ME SEE THAT ADDRESS!

I KNOW WHERE GWENDOLYN GRAMPIT LIVES! HERE'S HER ADDRESS!

WE'LL FACE HER WITH THE FACTS, THEN WE'LL (GASP)-- ARE YOU SURE SHE LIVES AT THIS ADDRESS?

POSITIVE!

HARRY, OLD PAL-- WHAT'S THE MATTER?

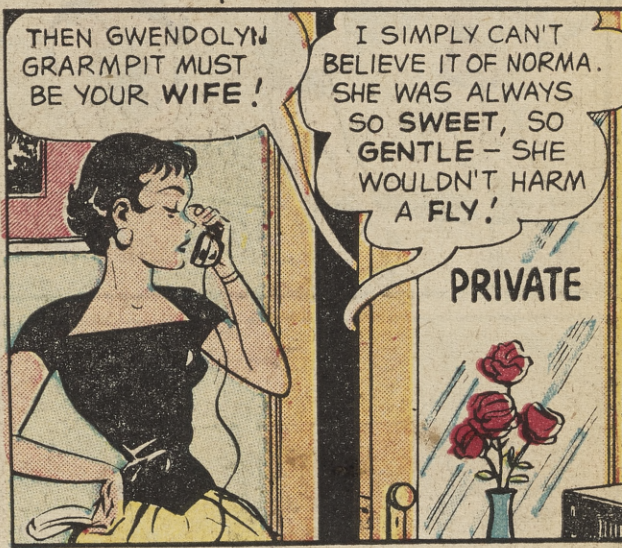

THIS IS (SOB) WHERE I LIVE!

THEN GWENDOLYN GRAMPIT MUST BE YOUR WIFE!

I SIMPLY CAN'T BELIEVE IT OF NORMA. SHE WAS ALWAYS SO SWEET, SO GENTLE-- SHE WOULDN'T HARM A FLY!

PRIVATE

YOU LOVE 'EM, LIVE WITH 'EM, FIGHT WITH 'EM-- BUT WOMEN-- YOU NEVER REALLY UNDERSTAND THEM, HARRY!

YOU ARE SO TRAGICALLY RIGHT, HOMER!

BUT RIGHT IS RIGHT!! I SWORE I'D TRACK DOWN AND PUNISH THIS DESPOILER OF REPUTATIONS IN CRABTREE CORNERS!

GO EASY ON HER, HARRY, OLD FRIEND-- SHE'S YOUR WIFE, YOU KNOW!

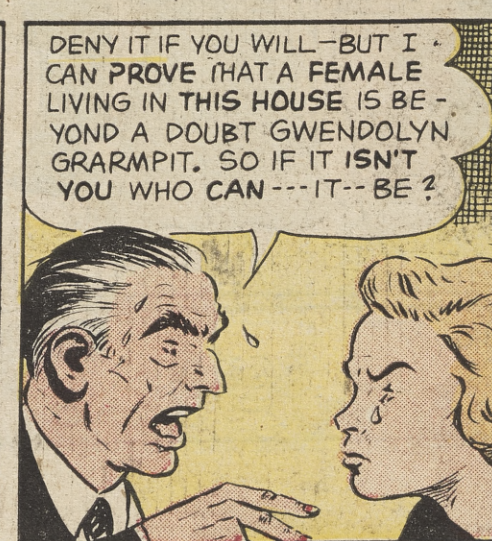

LATER

DON'T DENY IT, NORMA, YOU ARE GWENDOLYN GRAMPIT!

HARRY, PET-- ARE YOU OUT OF YOUR MIND?

DENY IT IF YOU WILL-- BUT I CAN PROVE THAT A FEMALE LIVING IN THIS HOUSE IS BEYOND A DOUBT GWENDOLYN GRAMPIT. SO IF IT ISN'T YOU WHO CAN-- IT-- BE?

TO BE CONTINUED
